

creative education for gifted and inquisitive children

Satori School Update ~ October 01, 2021

Dear Satori Students and Families,

Welcome to October. It is hard to believe first quarter is almost over. I hope you were able to meet with your child's teacher for parent/teacher conferences. It is a perfect way to connect with their teacher, see the school, and hear how they are doing in school with both social emotional and academic learning.

Tomorrow is our 5th Annual Handlebars for Monkeybars fundraiser! Join us at Harley Davidson of Tucson for a morning of fun tomorrow, Oct. 2nd. There will be raffles, donuts, and of course motorcycles from 11:00-12:00. Registration will be outdoors in the Harley parking lot. Families can join in the fun here OR at Satori!

Students and families are welcome to join staff at Satori from 12:30-1:30 to hold signs and support the riders as they parade by our campus. They would love to see you! Everyone that would like to show support, should meet in front of the charter building.

I was able to solidify class and individual pictures. They will happen October 20, 21, and 22. We will send out more specifics as soon as we iron out the details.

This year's Oktoberfest will be a little different than in previous years. We are looking at some fun activities to do at school on October 29th after our costume parade. Once again, more details will be sent to you as we get closer.

I keep thinking of a meme I saw last week that talked about the last normal school year. For our 7th graders their last 'normal' school year was when they were in 4th grade. Our K, 1st, and 2nd graders haven't had a normal year yet. That really brings everything in to perspective.

Please reach out if you feel the need, and thank you for your patience this year as we continue to work at keeping everyone happy and healthy.
