Satori School Update ~ December 03, 2021

Dear Satori Students and Families,

I hope everyone had a wonderful Thanksgiving holiday. I am very grateful to my staff for allowing me the time away from school to reconnect with friends.

We are in the last few weeks of the quarter and there is a lot happening at school as we approach Winter Break. Please review the calendar and look over the information and links here in this newsletter, and feel free to reach out with any questions!

Remember to send in your Arizona State Tax Credit to Satori! If you pay Arizona State income tax, you can send your tax dollars directly to our school and help support our special programs and our students. This is an important way that Arizona funds our schools and every dollar counts.

Also, if you need Extended Care over the break, be sure to register by December 10. We will not be able to accept registrations after that date so that we can be sure to have the staff we need on hand.

Put on your holiday sweater and join us on Tuesday at Raising Cane's for our December DineOut for Satori. Bring the flyer to make sure they know you are supporting Satori!

Thank you to everyone who has showed up for our school by contributing to SpellCheck, helping with the Rainwater Harvesting Project, driving on field trips, showing generosity on #GivingTuesday, supporting our Book Fair, by supporting our mitigation plan and taking good care of our kids. It can seem a lot of asking at this time of year. Please know how incredibly grateful we are for our Satori community.

Feel free to reach out and let me know if you need anything. Enjoy your holidays and stay safe so we can continue to keep our staff safe, too.

Much love and cheers to an awesome 2022!

Jo
