Satori School Update ~ December 17, 2021

Dear Satori Students and Families,

As I look back on this first semester I am in awe of the students and staff jumping into the school year with both feet as we still try to navigate through this pandemic. Everyone worked hard on keeping up with our mitigation plan, and it has worked, so thank you again.

Please remember to think of Satori if you are doing your tax credit donations before the end of the year. We only have a third of what we have budgeted based on past contribution. This funding helps support our Evergreen Project, our fine arts, and other programs. If you have any questions, feel free to reach out.

Have a wonderful break, stay healthy, enjoy your family, and we will all see you in 2022.

Warm Regards,

Jo
